Incident Report Instructions

Section A: The Originator is an EMACHE PE Official such as a coach, assistant coach, coordinator, director, or board member. The originator shall fill in section A with his name, position, and name of current PE director. Do not fill-in the IR tracking #. The PE director will assign the tracking #. The originator shall record the basic information about the incident – date/time, sport/activity, and age group. If using this form electronically (by using MS Word), place the cursor in the appropriate space after the item, click, then type.

Section B: The Originator shall leave this part blank. The PE Director will determine if the incident is a repeat or not.

Section C: The Originator shall choose the type of incident; if using this form electronically (by using MS Word), double click on the appropriate box and select “checked” from the pop-up menu and press “ok”.

Section D: The Originator shall describe the incident with sufficient detail, including what rule(s) was transgressed and all individuals involved. The PE Director will review the IR and add any further comments and recommended Board actions, if the IR requires Board action. The IR will be updated to reflect any final PE director or Board approved actions. A revision level will be added to the IR, so as not to lose the original IR inputs. The PE Director will send the President a courtesy copy of all IRs. The PE Director shall have disciplinary authority as he deems reasonable, except where Board action is required by EMACHE’s Constitution, for which the PE Director will submit the IR to the full Board for resolution.

Section E: The Originator shall sign his name (if using a paper copy) or fill in his name (if sending the IR electronically via e-mail). The Originator shall provide the filled out IR Form (without instruction page) to the PE coordinator either as a paper version or electronically, as soon after the incident as possible. If the Originator chooses to submit this form electronically, please submit the form as an MS Word document (in order to preserve the inherent formatting of the form) as an attachment to an email to the PE Director. The PE Director shall review the IR and act on the issue, if possible, or forward the IR to the Board for action, if required.
